Vision of the Institute

“Empowering of Rural Students through Rural Oriented Higher Education for personality development of students by following the Ideology of Mahatma Phule. Provide practical knowledge through various rigors teacher training practices and rural oriented courses, extension of various women and child welfare activities based on Ideology of Mahatma Phule in rural areas. Develop Research work on rural problems and extension work in villages along with formal education and academic activities to bring rural youths at par with their urban counter part by imparting need based and practical Teacher Education in today's competitive world”

Education is the single most important instrument for social and economic transformation. A well-educated population, adequately equipped with knowledge and skill is not only essential to support economic growth, but is also a precondition for growth to be inclusive since it is the educated and skilled person who can stand to benefit most from the employment opportunities which growth will provide." The Ministry of Human Resource Development has focused on an inclusive agenda, with a vision of realizing India's human resource potential to its fullest, with equity and excellence.

Our Institute is also working for the special progress of Minority section and weaker section. Our mission is to make development and progress of minority sections and especially Muslim minority community

“We aspire to be an excellent institute of Teacher Education, ensuring environment conducive and innovative teaching, learning and research practices by supporting the efforts, qualities and skills of the students teacher, grooming them into social, responsible, competent and excellent teachers for society”

Institute struggles for excellence in education through continuous academic efforts, need based, holistic Education for self-exploration and global learning without losing the ethos of Indian culture.”

The above Vision statement is brought into real through efforts of Management, Faculty and Non-Teaching Staff at our college. The Institute has made its mark in the society as one of the best Institutes only because of the sustained efforts of all the elements involved with the Institute. Providing quality education is the benchmark of the academic standards.

Key Features:

Practical and Need based Experience –

In Rural area our management would like to provide quality education to the student's teacher. We are providing maximum opportunity for practical skill enhancement in different schools. Making students teacher ready with the required experiences

Ideology of Mahatma Phule

We believe on philosophy of Mahatma Phule, as he always said “Education for all”. We believe on academic standards. Every year our educators are completing 100% syllabus. Conducting revision classes & remedial classes. Students are oriented about new techniques of evaluation. Our efforts are converted into success through the 100% result. Maximum number of girl's students are admitted every year in our institute

Extension of Social Activity

With academic excellence we focus on social grooming of every student. Many events are organized in the college for providing opportunity to the student's teacher

Mission of the Institute

“Rural oriented higher education via Rural Development & Extension, with the teacher training Sensitizing the Rural youth towards society through extension education and making them an agent for social change. The main aim of the institute is to provide such teacher training education to the rural youths, which will prove to be purposeful and meaningful in their rural background. Rural Development and Extension being the core and compulsory subject lays the base of this institution. The institute also tries to bring rural women at par with their urban counterparts. Integrate multidisciplinary approach of teacher education for paradigm shift in teacher education”

Mission statement of the institute provides best learning possibilities to the student’s teacher. Our many faculty members are awarded highest degrees. They are providing best research experience to the students. Practical Learning is the most important part of our regular teaching learning process. Institute is not only committed to provide good academic practices but also proving employability skills to the students and taking care to improve percentage of employment every year. CTET training is provided to the students for giving them opportunity to take part in CBSC board schools placement. College has established competitive exam centre for providing them opportunity & guidance to the students. Every year we are receiving positive results in CTET & TET exams. Experience & dedicated faculty are providing best learning environment to the students
